Volkswagen/Audi Data Incident Litigation Claim Form

SETTLEMENT BENEFITS - WHAT YOU MAY GET

Our records indicate that you are a U.S. resident who received notice from Volkswagen Group of America, Inc. (“Volkswagen”) and/or Audi of America, LLC (“Audi”) in June of 2021 that your personal information (“PI”) or sensitive personal information (“SPI”) may have been exposed as a result of a data security incident involving one of Volkswagen and Audi’s vendors, Sanctus LLC d/b/a Shift Digital. If so, you are a class member in a lawsuit filed against Volkswagen, Audi, and Shift Digital. The parties have decided to settle the lawsuit. As part of the settlement, the defendants have agreed pay \$3.5 million dollars into a settlement fund, from which class members may receive monetary awards. If you decide not to opt out of the settlement, you are eligible to receive a settlement award. The settlement award to which you are entitled depends on the subclass to which you belong. Our records indicate that you are a member of the subclass checked below:

California SPI Subclass Nationwide SPI Subclass Nationwide PI Subclass

The following settlement awards are available:

- 1. Cash Payments.** You may seek a cash payment regardless of whether you have incurred any out-of-pocket losses. California SPI Subclass members are eligible for a cash payment of \$350. Nationwide SPI Subclass members are eligible for a cash payment of \$80. Nationwide PI Subclass members are eligible for a cash payment of \$20. All cash payments are subject to an upward or downward proration depending on the number of valid claims received within each subclass and the amount available to pay such claims.
- 2. Reimbursement for Out-of-Pocket Losses.** If you are a member of the California SPI or Nationwide SPI subclass and spent money monitoring for and/or mitigating identity theft or other fraud fairly traceable to the data security incident, you may seek reimbursement of up to \$5,000 for any unreimbursed expenses. You must submit documents supporting your reimbursement request. Reimbursement payments are subject to downward proration, depending on how many claims are filed and for how much.

California SPI and Nationwide SPI subclass members may file settlement claims for either reimbursement for out-of-pocket losses or for cash payments, but not for both. Nationwide PI Subclass members may file settlement claims for cash payments only.

More information is available at www.AudiDataSettlement.com. **Claims must be submitted online or postmarked by April 12, 2023.**

Please note: The Settlement Administrator may contact you to request additional documents to process your claim. Awards for cash payments may increase or decrease based on the number of valid claims received and the amount available to pay such claims. Your settlement award for reimbursement of out-of-pocket losses may decrease depending on the number and amount of valid claims filed.

For more information and complete instructions, visit www.AudiDataSettlement.com.

Please note that settlement awards will be distributed only after the settlement is finally approved by the Court and becomes effective.
